How to use this book

Take a quiet moment. Choose a section — or let the day choose it for you. Read two or three prayers. Then pray them in your own words.

Every prayer begins the same way: *Father, help me…* They are short on purpose. The Word does the work; these lines only point to it.

These short prayers are applications of Scripture, not exact quotations. Each one carries the reference it rests on. Read the passage in its setting. We grow by God's grace and His Spirit, not by our effort (Ephesians 2:8–10).

Each Scripture reference opens the passage in the English Standard Version at Blue Letter Bible. A Scripture index at the back lists every passage by book.

"Let the word of Christ dwell in you richly." Colossians 3:16

Father, help me...

to embrace You as the uncreated Creator of all — without beginning, without end. You, O LORD, are the true reality. It is You who have given us all that we know of, as a work from within Yourself.

May I — may each of us — fall before You in trembling wonder, in worshipful praise, in continual thanksgiving, and say: LORD, I only want what You want. Help me to do Your will in all that I am, all that I think, all that I say, and all that I do.

May I be faithful to live as a follower of Jesus my Savior, as I follow the leadership of the blessed Holy Spirit.

Amen.
